This beautifully written and unflinchingly honest novel follows Pino's perilous journey as he infiltrates the German army, risking his life to gather vital intelligence for the Resistance.

Pino was just 17 years old when he was recruited by the Resistance. He was given the codename "Cicero" and sent on a mission to infiltrate the German army and gather information about their plans. Pino's mission was extremely dangerous, and he knew that he could be killed or captured at any moment. But he was determined to do his part to help liberate his country from the Nazis.
