In *Catching Our Flag*, James Rogan tells the story of America's founding fathers, from their humble beginnings to their triumphant victory in the American Revolution. This gripping narrative is full of adventure, suspense, and inspiration, and it offers a fresh perspective on one of the most important events in American history.

Rogan begins by introducing us to the young men who would become the founding fathers: George Washington, Thomas Jefferson, Benjamin Franklin, and John Adams. These men were all brilliant and ambitious, but they came from very different backgrounds. Washington was a wealthy Virginia planter, while Jefferson was a self-taught lawyer from the backwoods of Virginia. Franklin was a printer and inventor from Boston, and Adams was a lawyer and politician from Massachusetts.

Despite their differences, these men shared a common goal: they wanted to create a new nation, free from the tyranny of British rule. Rogan chronicles the founding fathers' perjuangan to achieve this goal, from their early debates over independence to their final victory at Yorktown. Along the way, he provides vivid descriptions of the battles, the hardships, and the triumphs that shaped the American Revolution.

*Catching Our Flag* is more than just a history book. It is also a story of courage, determination, and sacrifice. Rogan's writing is both informative and inspiring, and he brings the founding fathers to life in a way that makes them relatable and even heroic. This book is a must-read for anyone who wants to learn more about the American Revolution and the men who made it possible.
