

Dragoons: The Sound of Sabers

The Definitive History of the United States Dragoons

The United States Dragoons were a legendary mounted force that played a vital role in the nation's westward expansion and military campaigns. From their origins in the early 19th century to their final days in the Indian Wars, the Dragoons were a symbol of American military might and daring.

In *Dragoons: The Sound of Sabers*, historian John S.D. Eisenhower provides the definitive history of this storied regiment. Drawing on extensive research, Eisenhower tells the story of the Dragoons from their humble beginnings to their rise as one of the most respected and feared fighting forces in the world.

Eisenhower's account is filled with vivid descriptions of the Dragoons' campaigns, from the War of 1812 to the Mexican-American War to the Civil War. He also provides detailed portraits of the Dragoons' leaders, including

such legendary figures as George Armstrong Custer and William Henry Harrison.

Dragoons: The Sound of Sabers is a must-read for anyone interested in military history, the American West, or the history of the United States Army. It is a sweeping and unforgettable account of one of the most iconic fighting forces in American history.
