A Journey of Self-Discovery and Acceptance

Growing up in a small town in the Midwest, Ugly Strange and Funny felt like an outsider. They struggled with their gender identity, never feeling like they fully fit in with either boys or girls. They were bullied and ostracized for their

androgyny and "weirdness." These experiences left deep scars that would shape their life for years to come.

As a teenager, Ugly Strange and Funny turned to drugs and alcohol to cope with their pain. They spiraled into a cycle of addiction that nearly cost them their life.

It was through the power of self-acceptance and the support of a loving community that Ugly Strange and Funny was able to break free from their addictions and embark on a path of recovery.
