The book is divided into four parts. The first part, "The Puritan Era," examines the role of the book in the development of American Puritanism. The second part, "The Enlightenment Era," looks at the role of the book in the American Enlightenment. The third part, "The Romantic Era," explores the role of the book in the American Romantic movement. The fourth part, "The Modern Era," examines the role of the book in the American Modernist and Postmodernist movements.

Gravity Changes is a groundbreaking work of scholarship that will appeal to anyone interested in American history, American culture, or the history of the book.

Reviews
