## Unveiling the Depths of Labour Exploitation and Work-Based Harm

The book delves into the historical and contemporary forms of labour exploitation, highlighting the systemic inequalities and power imbalances that perpetuate these harmful practices. It explores various types of work-

based harm, ranging from physical injuries and mental health issues to wage theft and discrimination, and examines their profound consequences for workers' well-being, families, and communities.

### **Case Studies: Real-World Examples of Exploitation and Harm**

To provide a deeper understanding of the complex dynamics of labour exploitation and work-based harm, the book presents a rich collection of case studies drawn from diverse industries and regions. These case studies illustrate the lived experiences of exploited workers, showcasing the challenges they face and the urgent need for transformative change.

### **Policy Implications: Towards a Just and Equitable Labour Market**

Beyond the exploration of the problem, the book also focuses on practical solutions and policy implications. It examines existing legal frameworks and enforcement mechanisms, assessing their effectiveness in preventing and combating labour exploitation and work-based harm. It further proposes innovative policy approaches and best practices that have proven successful in protecting workers' rights and promoting decent work.

### **Key Features of the Book:**

- **In-depth analysis of labour exploitation and work-based harm:** Explores the historical and contemporary forms of exploitation, their root causes, and their devastating impact on workers.
- **Real-world case studies:** Presents a diverse range of case studies that illustrate the lived experiences of exploited workers, highlighting the challenges they face and the need for change.
- **Policy implications and best practices:** Examines existing legal frameworks and enforcement mechanisms, and proposes innovative

policy approaches that have proven effective in protecting workers' rights and promoting decent work.

- **Contribution to the field of social harm:** Adds to the growing body of research on social harm, providing new insights into the specificities of labour exploitation and work-based harm.
- **Interdisciplinary approach:** Draws upon a wide range of disciplines, including sociology, economics, law, public health, and criminology, to provide a comprehensive understanding of the issue.

### **Target Audience:**

#### **"Labour Exploitation and Work-Based Harm: Studies in Social Harm"**

is an essential resource for:

- Policymakers, government officials, and labour regulators
- Researchers and academics in the fields of sociology, economics, law, public health, and criminology
- NGOs and advocacy groups working to combat labour exploitation and promote workers' rights
- Trade unions and worker organizations
- Students and individuals interested in social justice and labour market issues

:

Through its rigorous analysis, evidence-based case studies, and policy recommendations, **"Labour Exploitation and Work-Based Harm: Studies in Social Harm"** makes a significant contribution to the global

effort to eradicate labour exploitation and promote decent work. It is a must-read for anyone committed to creating a just and equitable labour market where all workers are treated with dignity and respect.
