Null Set by Ted Mathys is a powerful and moving novel that explores the themes of grief, loss, and redemption. The novel follows the story of a young man named David, who has lost everything. His wife, his daughter, his home, his job - everything is gone. In his desperation, David turns to drugs and alcohol, and soon finds himself spiraling down into a dark and dangerous world.

As David's addiction worsens, he alienates his friends and family, and his health begins to deteriorate. He becomes homeless, living on the streets and begging for change. But even in his darkest moments, David never gives up hope. He knows that he needs to find a way to redeem himself, and he is determined to do whatever it takes to get his life back on track.

With the help of a kind-hearted stranger, David eventually finds his way into a recovery program. He begins the long and difficult journey of getting

sober, and slowly but surely, he starts to rebuild his life. He gets a job, finds a place to live, and reconnects with his family and friends.

But David's recovery is not without its challenges. He must constantly battle the temptation to relapse, and he must learn to cope with the pain of his past. But through it all, David never gives up. He knows that he has a second chance at life, and he is determined to make the most of it.

Null Set is a haunting and harrowing novel, but it is also a story of hope and redemption. David's journey is a reminder that even in the darkest of times, there is always light at the end of the tunnel. If you are struggling with addiction or loss, this book is a must-read.
