Suicide Med is a gripping psychological thriller that will keep you on the edge of your seat. The novel follows the story of Dr. Emily Carter, a brilliant psychiatrist who is haunted by the suicide of her father. When she is assigned to a new patient, a young woman named Sarah who is contemplating suicide, Emily becomes determined to save her life.

As Emily delves deeper into Sarah's case, she begins to uncover a dark secret that threatens to destroy both of their lives. Sarah is being stalked by a dangerous predator who is determined to see her dead. Emily must race against time to stop the predator and save Sarah's life.

Suicide Med is a fast-paced, suspenseful thriller that will keep you guessing until the very end. The novel is full of twists and turns, and the characters

are complex and well-developed. Emily Carter is a strong and determined heroine, and Sarah is a sympathetic and vulnerable victim. The predator is a truly terrifying villain, and the reader will be rooting for Emily to stop him before it's too late.

If you're looking for a gripping psychological thriller that will keep you on the edge of your seat, then *Suicide Med* is the perfect book for you.
