The victim, 25-year-old Sarah Jones, was a beautiful and successful young woman with a seemingly perfect life. But as Blackwood digs deeper, he discovers that Sarah had a troubled past, and that she was involved in a number of dangerous relationships.

Blackwood soon realizes that Sarah's murder was not a random act of violence. It was a carefully planned and executed crime, and the killer is someone who knew Sarah well.

As Blackwood investigates, he uncovers a number of suspects, including Sarah's ex-boyfriend, her best friend, and her wealthy benefactor. Each of these individuals has a motive for killing Sarah, and Blackwood must carefully weigh the evidence to determine who is the real killer.

Ten Dollars And Rope is a gripping tale of murder, betrayal, and the search for justice. Blackwood is a complex and flawed character, and his determination to find Sarah's killer is admirable. The novel is full of twists and turns, and the ending will leave you guessing until the very last page.
