### \*\*Online Safety Tips:

- Talk to your kids about internet safety. Let them know what to look for and what to avoid.
- Set up parental controls on your computers and devices.
- Monitor your kids' online activity.

- Teach your kids to be careful about what they share online.
- Report any suspicious activity to the authorities.

**\*\*Offline Safety Tips:**

- Teach your kids to be aware of their surroundings.
- Tell your kids to never talk to strangers or go anywhere with them.
- Make sure your kids know how to get home if they get lost.
- Set up a safe meeting place where your kids can go if they need help.
- Teach your kids to trust their instincts. If something feels wrong, it probably is.

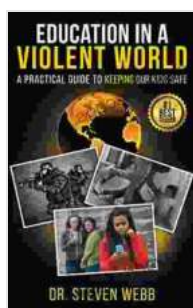

**Additional Tips:**

- Get your kids involved in extracurricular activities. This will help them build confidence and make friends.
  - Talk to your kids about bullying. Let them know that it's not their fault and that there are people who can help.
  - Encourage your kids to be active. This will help them stay healthy and reduce their risk of being injured.
  - Spend time with your kids. This will help you build a strong bond and make it more likely that they will come to you with any problems.
-

Keeping our kids safe is a challenge, but it's one that we must face. By following the tips in this guide, you can help protect your children from harm. Remember, you are not alone. There are many people who can help you keep your kids safe.
