Shenon digs beneath the surface, uncovering the motivations and agendas of those involved, including President George W. Bush, Vice President Dick Cheney, and National Security Advisor Condoleezza Rice. He delves into the suppression of evidence, the selective presentation of information, and the calculated distortions that clouded the public understanding of the attacks.

Unmasking the Limitations of the Official Story

"The Commission" fearlessly challenges the official narrative, exposing its limitations and flaws. Shenon reveals how the Bush administration cherry-picked intelligence to justify the invasion of Iraq, while ignoring warnings of the impending 9/11 attacks. He uncovers the missed opportunities and systemic failures that allowed the attacks to happen.

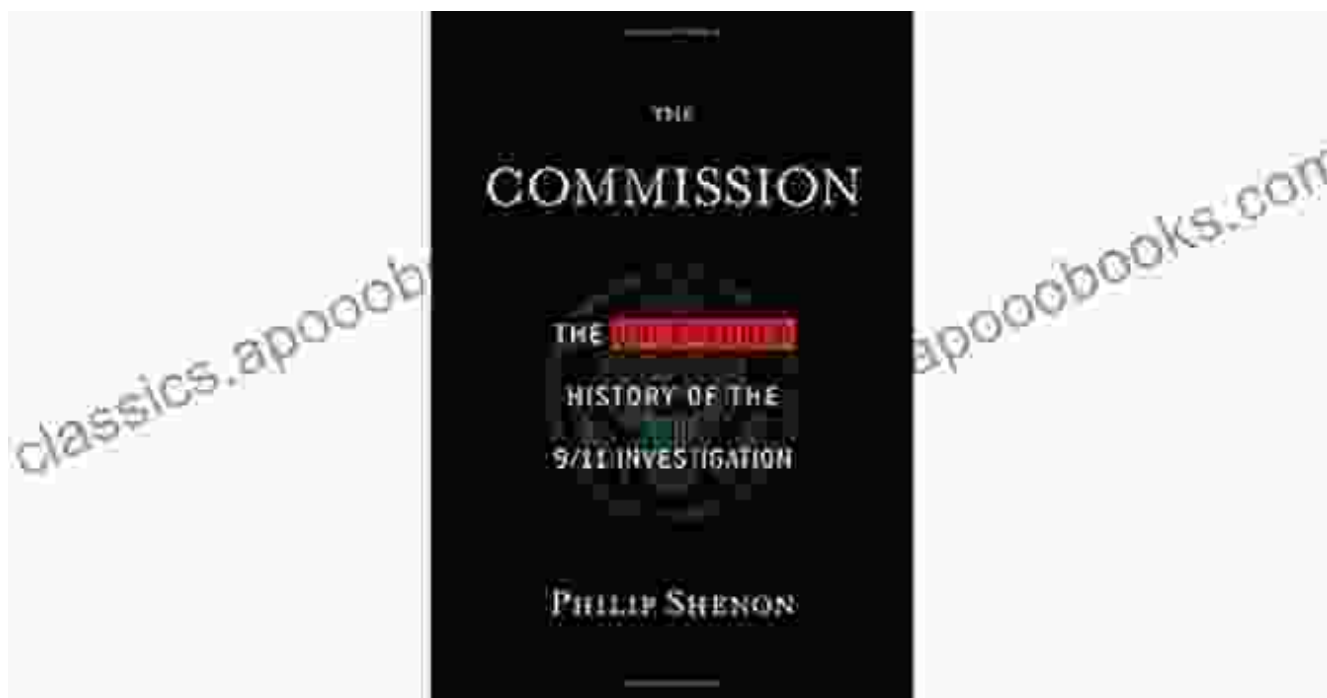

Shenon's meticulous analysis casts doubt on the credibility of the official report, raising profound questions about accountability, transparency, and the true nature of the events that forever altered the course of history.

The Power of Uncensored Journalism

"The Commission" is a testament to the power of independent journalism. Shenon's unwavering pursuit of truth serves as a beacon in a world often shrouded in secrecy and deception. By exposing the uncensored history of the 9/11 investigation, he empowers readers to form their own informed opinions and to demand a fuller understanding of one of the most pivotal events of our time.
