## Prepare to Witness the Future of Information Retrieval in Lugano, Switzerland

Mark your calendars for CLEF 2024, the highly anticipated 10th International Conference of the CLEF Association. From July 16th to 19th, 2024, gather in the picturesque setting of Lugano, Switzerland, to immerse yourself in cutting-edge research and innovative applications in information retrieval, natural language processing, and more.

## A Legacy of Excellence: CLEF's Impact on the Field

For nearly two decades, the CLEF (Conference and Labs of the Evaluation Forum) Association has played a pivotal role in advancing the field of

information retrieval. Its annual conference provides a platform for researchers, practitioners, and industry leaders to share their latest findings, fostering collaboration and driving innovation.

CLEF's Evaluation Labs have also made a significant impact, establishing standardized test collections and evaluation methodologies that have become benchmarks for the field. These initiatives have enabled researchers to compare different approaches and measure progress, contributing to the continuous improvement of information retrieval systems.

### **CLEF 2024: A Milestone Year**

As CLEF marks its 10th anniversary, CLEF 2024 promises to be a milestone event. The conference will feature:

- **Keynote speeches** from leading experts in the field
- **Oral and poster presentations** showcasing cutting-edge research
- **Interactive workshops** providing hands-on experience
- **Networking opportunities** to connect with peers and potential collaborators

### **Call for Papers: Submit Your Groundbreaking Research**

Researchers are invited to submit their original research papers to CLEF 2024. The conference welcomes submissions in all areas related to information retrieval, natural language processing, and related fields, including:

- Ad-hoc retrieval

- Cross-language information retrieval
- Multimedia retrieval
- Question answering
- Natural language processing
- Machine learning for information retrieval
- Evaluation methodologies

The deadline for paper submission is **March 17th, 2024**. For more information and submission guidelines, please visit the CLEF 2024 website.

### **Lugano: A City of Beauty and Innovation**

The picturesque city of Lugano provides the perfect backdrop for CLEF 2024. Nestled amidst the Swiss Alps and Lake Lugano, the city offers a blend of natural beauty and modern amenities. Lugano is also home to several universities and research institutions, creating a vibrant and innovative atmosphere.

Participants will have the opportunity to explore Lugano's charming streets, indulge in its culinary delights, and enjoy the breathtaking views of the surrounding mountains and lake.

### **Register Today and Join the Information Retrieval Community**

Don't miss out on this exceptional opportunity to engage with the leading minds in information retrieval. Register for CLEF 2024 today and secure your place at this landmark event.

For more information and to register, please visit the CLEF 2024 website.

## CLEF 2024: Where Innovation and Inspiration Converge

CLEF 2024 is more than just a conference; it's an immersion into the future of information retrieval. Join us in Lugano, Switzerland, for an unforgettable experience of cutting-edge research, inspiring discussions, and transformative connections.

Together, let's shape the next decade of innovation in the field and unlock the full potential of information retrieval.
